### COW'S HEAD BRAND OF SWISS MILKS.

SWEETENED AND UNSWEETENED.  
All Full Cream, Guaranteed Absolutely Pure.  
Reprint from "The Lancet," September 14th, 1901:—  
"We have previously reported upon a sample of condensed milk prepared by the Swiss Milk Society which, unlike the present sample, contained no added sugar. There is no doubt that the addition of sugar to condensed milk is in most cases excessive. On the contrary, when this preparation is diluted to a desirable strength by adding, for example, three parts of water to one part of milk there is hardly any sweet taste of added sugar perceptible. The preparation is quite fluid, and does not crystallize. The milk is sterile, and contains no chemical preservatives. The flavor is good, and typical of rich grass milk.  
This is the finest and purest milk to be had, and is most suitable for invalids and children; it is without that objectionable taste that most condensed milks have."

**Notes by the Way.**  
The Danish Folketing has ratified the  
cession of the Danish West Indies to  
America.

The Duke of Connaught will be install-  
ed as Grand Master of Mark Masons of Eng-  
land on June 3.

The case against Mr. A. J. Monteiro,  
Chief Clerk of the General Post Office,  
Singapore, has been discharged.

Admiral Sir Henry Keppel, who ar-  
rived at Singapore on the 17th November  
sailed for England on the Earl of Craw-  
ford's yacht *Valka* on the 17th inst.

The small Chinese-wheel steamer  
*Anna Hui* was wrecked on the Paining Bar  
on the 13th inst. Hopes are entertained  
that she may be saved. She is not  
insured.

For being concerned in systematic  
robbery from Messrs J. Little and Co.'s  
store at Singapore, a native has been sen-  
tenced to three years' rigorous imprison-  
ment.

Mr. Angus Hamilton, who was the  
*Pail Mail* correspondent during the  
troubles in China, has been ill since his  
arrival in London. His condition, so  
a society paper says, is giving much anxiety  
to his mother, Mrs. Piner.

**Kowloon School.**

As will be seen from our advertising  
columns, the first term of the Kowloon  
School for European children begins on the  
1st of May. Applications for admission  
should be made in writing to the Inspector  
of Schools before Monday, the 7th of April.  
The fees are published in the advertise-  
ment. We hope the European residents of  
Kowloon will appreciate the consumma-  
tion of their agitation for a proper school for  
their children, by intimating as early as  
possible how many children they are to  
send to the school, with their sex and age,  
so that arrangements may be facilitated for  
commencing class-work, &c.

**'Zaza' at the Theatre Royal.**

'Zaza,' we may say at once, was not  
the most successful of the Dallas Company's  
efforts. There was a very large attendance  
on Thursday night to see this much-talked-  
about piece, but public expectation was  
scarcely realized, notwithstanding the con-  
scientious efforts of Mr. and Mrs. Dallas.  
The play is of the French Frenchy, and  
depends for its successful rendering on  
some elements which we are pleased to  
say, are foreign, or, at least, almost so, to  
the English stage. Mrs. Leslie-Carter, the  
American actress, made a great hit with it  
in London in 1900, and as it was singled  
out for condemnation in a speech in the  
House of Commons by that good man Mr.  
Samuel Smith it drew large audiences  
nightly to the Garrick Theatre. But Mrs.  
Dallas did not go the length of Mrs.  
Leslie-Carter, and the opening scene on  
Thursday night accordingly fell some-  
what flat, and must have puzzled those  
of the audience who had not seen the  
play in the original. Added to this, Mrs.  
Dallas is altogether too unimpassioned to  
try a part like 'Zaza.' The part requires  
a greater amount of abandon than Mrs.  
Dallas can give it, and lacking this, in ad-  
dition to its original majesty, it is not to  
be wondered at that much disappointment  
was felt by many on Thursday night. The  
Dallas Company have given us so many  
good performances in musical comedy and  
other light trifles that we feel it to be un-  
gracious to say what we have said about  
'Zaza,' especially as the charming Mrs.  
Dallas was in the title role. Mr. Dallas  
was good as the erring 'Bernard Dufresne,'  
and in the two minor parts of 'Devonne'  
and 'Nathalie' Miss Jessie Campbell and  
Miss Marie Arnold were distinct successes.

**LOCAL AND GENERAL.**

**Hongkong Christian Union.**  
On account of the Easter holidays, there  
will be no prayer meeting on Monday next.

**Sale at Kowloon.**  
Messrs Hughes and Hough ask us to  
state that the sale at Greenfield, Kowloon,  
on Tuesday next will stop at lot 281 and  
the sale will resume at lot 282 on Wednes-  
day.

**Interesting to Mariners.**  
It is notified that a fixed white light,  
visible for ten miles, exhibited from adower  
55 feet high, has been established on the  
S. E. point of the entrance of the Calanyong  
River, on the west coast of Samar.

**Polo Club.**  
The first tie in the International Polo  
Tournament will be played on Saturday,  
commencing at 5 p.m., between the Scotch  
and English. The final tie will be Mon-  
day when Ireland will play the winners.  
It is much to be regretted that Wales is  
unable to be represented owing to a series  
of accidents to ponies of the Royal Welch  
Fusiliers.

**Police Corruption.**  
The *Indian Daily News* compares the  
police corruption in Calcutta to that in  
New York, and asks how and by what  
means Calcutta policemen have attained to  
positions of great influence which in re-  
sults of private carriage, the ownership  
of a race horse or two, and the capacity  
to bet on races in sums that to the average  
citizen are such as only rich men can afford.

**Chartered Bank Dividend.**  
At the approaching meeting of Share-  
holders, the Directors of the Chartered  
Bank of India, Australia and China will re-  
commend a dividend for the past half-year  
at the rate of 10 per cent per annum, free  
of Income Tax, that £75,000 be placed to  
Reserve which will then stand at \$650,000,  
that \$40,000 be carried forward as  
undivided profit, and that a Bonus of 15  
per cent be paid to the staff of the Bank.

**Presentation.**  
On Thursday, Sergeant Gordon, of  
the Hongkong Police, was made the re-  
cipient of a handsome presentation by the  
European employees of the Hongkong  
Docks. There was a large attendance, and  
the ceremony took place in the Reading  
Room. Mr. Logan, on behalf of the fore-  
men, handed Sergeant Gordon a splendid  
gold chain and appendage, the latter suitably  
inscribed, on the occasion of his departure  
for home on leave. He referred to the  
high esteem in which Sergeant Gordon was  
held for his unvarying obliging nature and  
his other personal qualities which made him  
both a good policeman and a man. Serg.  
Gordon suitably acknowledged the gift.

**Roberts at the Lusitano Club.**  
On Wednesday, Mr. John Roberts, the  
billiard champion, gave an exhibition at the  
Lusitano Club. The first game, 600 up, he  
played with Mr. C. M. P. Remedios, conced-  
ing 420 points. The champion won the  
match, leaving Mr. Remedios, who did not  
play up to his usual form, standing at 531.  
In the second game, Mr. Roberts had a  
more doubtful opponent in the person of  
Mr. J. A. de Carvalho. The champion  
conceded the same points in a game of 600  
up. Mr. Carvalho played an exceedingly  
good game, and it looked as if he were to  
win. When Roberts went to the table, Mr.  
Carvalho only wanted 10 points, while  
Roberts was 524. With a break of 76,  
however, Roberts won amid applause.

**Watkins Limited.**  
In our report of the meeting of Wat-  
kins Limited on Thursday night, we stated  
that the two resolutions proposed respec-  
tively by Captain Tillet and Mr. J. Grant  
Smith were 'carried,' although only 5  
shareholders out of 13 present voted in  
their favour. We reported that these re-  
solutions were carried because the Chair-  
man said so. On Thursday, the note was  
appended to the report that the resolutions  
were not, in fact, carried in the sense that  
they can be made effective. We stated this  
because we were informed—after the meet-  
ing—that the Company's solicitor, Mr. E. J.  
Grist, had pointed out that the resolutions,  
under the Articles of Association, could not  
be accepted, as the requisite number of  
shareholders had not been given. We accepted  
this explanation and published it as request-  
ed. We did not state that when the  
Chairman asked for a show of hands against  
the resolutions, no hand, so far as we saw,  
was raised by any of the remaining share-  
holders present. How this affects the re-  
solutions we cannot say, as we have not a  
copy of the Articles of Association beside us;  
but since we have been asked 'How  
you can say a motion is carried when only  
5 vote against 14, not counting the Chair-  
man's casting vote,' we think it right that  
the shareholders who were not present at  
the meeting should know more fully how  
the resolutions were received. With re-  
gard to the dividends paid by the Com-  
pany, it is interesting to note the following  
figures:—

1899 (6 months) .....\$ 8,000  
1900 .....12,000  
1901 .....9,000  
\$29,000

That is to say, that with a capital of  
\$100,000, the company has paid dividends  
equivalent to about 12 per cent during the  
two and a half years of its existence.

**Death of an American Officer.**  
Mr. Rublee, Consul-General for the  
United States, courteously informs us that  
he has received a telegram from Port Said,  
dated 28th March, 8 p.m., announcing the  
death, from typhoid fever, of Paymaster  
Wright, of the U.S. Navy. This news has  
been received with sincere regret by Mr.  
Wright's numerous friends in the Colony.  
Mr. and Mrs. Wright lived in Hongkong for  
several months, and during their stay here  
made many friends outside the gradually  
increasing circle of American residents.  
They left Hongkong for Manila in January  
last, and while there he received orders to  
proceed home. He returned to Hongkong  
on the 1st inst., and left by the German  
mail steamer *Eschsch* for Europe. Mr. and  
Mrs. Wright contemplated a visit to Constan-  
tinople, and were going on to Vienna and  
Paris on their way back to the States. He  
was in the best of health, and was extreme-  
ly delighted at the prospect of going home  
on promotion. From Singapore, letters  
were received indicating that both he and  
Mrs. Wright were in the best of health and  
spirits. Deceased entered the Navy in  
1864, and was, expecting to retire next  
year. He was one of the best type of  
cultured Americans, frank, genial and  
hospitable, with a happy knack for making  
friends; and we are sure we are expressing  
the wishes of his many friends in this  
Colony when we give expression to the  
genuine sympathy for Mrs. Wright which  
this sad intelligence has aroused in Hong-  
kong to-day. It is supposed that the  
telegram announcing the sad event was  
sent by Mr. Turnbull, of the Guaranty  
Trust Company of New York, who was a  
fellow passenger from Hongkong.

**Departure of Bishop Hoare.**  
The Bishop of Victoria left for home on  
the R. M. S. *Oriental* to-day. Among those  
who went to the steamer to see him off were  
Sir Thomas Jackson and Miss Jackson,  
Archdeacon Banister, Revs. E. J. Hardy,  
R. F. Cuthbert, W. T. Southam, E. H.  
Good, C. A. Bunbury, Lieut. Cargill and  
Messrs J. Barton, F. B. L. Bowley and A.  
Byer.

**Presentation.**  
Mr. W. G. St. Clair, Editor of the  
*Singapore Free Press*, who is going home  
on holiday, was presented, on the 18th  
inst., with a handsome gold watch, chain  
and pendant by the members of the Phil-  
harmonic Society, of which he has been  
President and Conductor for many years.  
H. E. St. F. A. Sweetnam made the pre-  
sentation.

**United Mark Lodge, No. 419.**  
On 25th inst., Bro J. J. Burnett was  
installed as Wor. Master for the ensuing  
year by Wor. Bro A. O'D. Gordin. The  
following officers were invested:—S.W.,  
Bro. H. W. Wolfe; J.W., Bro. C. A. Hick-  
man; M.O., Bro. J. H. Varcoe; S.O., Bro.  
H. G. Garrod; J.O., Bro. C. Pentzner;  
Chap., Bro. J. Loeck; Treas., Bro. J. A.  
Wheal; R. of M. Bro. W. Street; Sec., Bro.  
W. H. Woolley; S.D., Bro. E. J. Glas-  
brook; J.D., Bro. A. Tennet; D.C., Bro. W.  
Brund; Steward, Bro. H. N. Barton; I.G.,  
Bro. H. J. Baker; Tyler, Bro. J. Marshall.

**Good Friday.**  
Yesterday, being Good Friday, was  
observed by all Europeans in the Colony as  
a holiday. The weather was cold and the  
sky was dull, but, fortunately, the rain  
kept off. The annual meeting of the  
Hongkong Rifle Association commenced,  
and was well attended. Otherwise there  
was nothing of a specially interesting  
nature in the form of out-door sport. The  
usual services were held, and the sacred  
cantata 'Calvary' was given in the evening.  
St. Peter's Seminary's Church, by the  
Choir, assisted by friends. Mr. H. L.  
Stranger was conductor, and Mr. H. Sykes
